Celebrating Academic Excellence!

Holy Cross High School recently celebrated our inaugural Honor Roll and High Honor Roll for the very first time, proudly presenting students certificates to recognize their outstanding achievements.

Spreading Holiday Cheer

Our students recently spent a heartwarming day at Brookdale Dover, sharing the joy of the season through acts of kindness and connection.

They crafted beautiful homemade Christmas cards, each filled with uplifting messages and holiday wishes, and personally delivered them to the residents. Along with the cards, our students brought the magic of Christmas through festive carols and meaningful conversations.

Latin Fun!

Why do we teach Latin in our Classical Curriculum? Because Latin is the foundation of language and learning. Over half of English vocabulary comes from Latin roots, which means studying Latin strengthens reading comprehension, writing skills, and vocabulary across all subjects.

Here's what makes Latin special at our school: Mr. Andrews brings Latin to life! He turns class into an adventure with Latin games, Latin Scrabble, and team competitions that keep students laughing and learning. The champions even win a prize of homemade lasagna prepared by Mr. Andrews himself!
