HOLY CROSS HIGH SCHOOL

April Edition

ACE Scholarships

Holy Cross High School is committed to making a Catholic education accessible to as many families as possible. Through our partnership with ACE Scholarships, qualifying families may receive need-based, partial tuition assistance to help make a Holy Cross High School education attainable.

In addition to ACE Scholarships, Holy Cross High School also offers variable tuition and financial aid to support families across a range of financial circumstances.

The ACE Scholarship application deadline is April 15, 2026, and families are encouraged to apply promptly. Please contact the Admissions Office to learn more or schedule a visit.

Holy Cross High School celebrates our Odyssey of the Mind team's 3rd place finish at the Delaware State Competition.

A New Season Takes the Course!

We are excited to announce the start of the Holy Cross High School golf team's inaugural season. Through this new program, students develop athletic skills, build character, and become part of the growing Crusader legacy.

Physical Education

At Holy Cross High School, Physical Education extends beyond the gym. We intentionally seek creative ways to keep students engaged and active. As part of our rotating off-campus activities, students recently added bowling, an experience that builds coordination, focus, teamwork, and sportsmanship. By incorporating a variety of unique activities, we help students discover that fitness can be accessible, enjoyable, and an important part of a healthy lifestyle.

Students Supporting Students

Holy Cross High School's Student Council recently hosted a bake sale fundraiser, putting their faith into action through service and leadership. Guided by our mission to serve others, these student leaders worked together to raise funds in support of upcoming school trips, helping provide enriching opportunities that extend learning beyond the classroom and strengthen our community.
