

YOUR LEGACY. THEIR FUTURE.

**HOLY CROSS
HIGH SCHOOL**
FREDERICA • DELAWARE

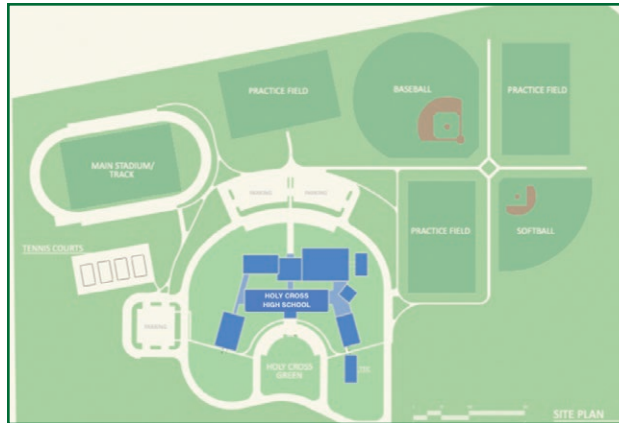

**THE
FOUNDERS CAMPAIGN**

THE VISION

Holy Cross High School will be far more than a school campus. It will be a lasting investment in the future of Catholic education in Delaware and in the lives of generations of young people who will go on to shape their families, communities, professions, and Church.

Within these halls, students will encounter an education rooted not only in academic excellence, but in the enduring pursuit of truth, beauty, and goodness.

Guided by the Catholic intellectual tradition, they will be challenged to think deeply, communicate clearly, lead courageously, and live virtuously.

At Holy Cross High School, education will not be viewed merely as preparation for a career, but as formation for life. Students will come to understand that knowledge carries responsibility, leadership requires character, and success finds its highest purpose in service to others.

The impact of Holy Cross High School will extend far beyond the boundaries of its campus.

The values instilled here will live on in the families students build, the communities they strengthen, the vocations they answer, and the lives they touch.

This campaign is an invitation to help build more than classrooms, fields, and facilities. It is an invitation to help build a legacy — one formed in faith, sustained by excellence, and entrusted to the future.

FACILITY HIGHLIGHTS INCLUDE:

- Chapel
- Trade, Technology & Innovation Center
- Medical Sciences Suite
- Black Box Theatre
- Art and Music Wing
- Gymnasium and Fitness Center
- Broadcast Studio
- Athletic Fields

THE FOUNDERS CAMPAIGN • YOUR LEGACY. THEIR FUTURE.

THE OPPORTUNITY

Phase 1 of the Holy Cross High School capital campaign will require \$29 million to establish the permanent campus and provide the operational support needed during this critical period of growth. This campaign will fund three years of essential operations while also making possible the construction of the first major facilities that will serve our students, families, faculty, and broader Catholic community for generations to come.

The chart below shows the naming opportunities available to

families, individuals, foundations, and businesses who wish to make a lasting investment in Catholic education.

These opportunities are more than names on buildings, rooms, fields, or sacred spaces. They are enduring signs of faith, generosity, and commitment to the young people whose lives will be shaped here.

To bring this vision to life, Holy Cross High School will rely upon leadership gifts from those who understand the historic importance of this moment. Foundational commitments will allow the school to move forward with confidence, secure necessary financing, begin construction, and continue building a strong academic and spiritual culture during the years ahead.

Every gift will help build the future. Leadership gifts will make that future possible.

PHASE 1 NAMING OPPORTUNITIES	AMOUNT
Campus	\$10,000,000

THE COMMITMENT

Leaders have stepped forward in faith through The Founders Campaign. Now we invite others to help build the permanent home of Holy Cross High School.

"We support Holy Cross High School because we believe that young people need more than strong academics. They need formation in faith, character, truth, and purpose. The permanent campus will provide the foundation for that formation to flourish."

We are grateful to be part of a campaign that will help shape lives, strengthen families, and serve the Church for years to come."

Dr. Dick Quinn, Trustee, and Mrs. Pat Quinn; Leadership Donors

"From the beginning, we have believed that Holy Cross High School represents a defining moment for Catholic education in Delaware. This campaign is an opportunity to help secure that future. Kathy and I are honored to support this effort because we believe deeply in the mission, the students, and the lasting impact this school will have for future generations."

Mr. Brian Lessard, Chairman of the Board, and Mrs. Kathy Lessard; Leadership Donors

"Holy Cross High School was founded to provide families with a faithful, academically excellent, joyfully Catholic high school where young men and women will be formed for lives of wisdom, virtue, leadership, and service. Now, through The Founders Campaign, we have the opportunity to build the permanent home where that mission will flourish for generations. I invite you to prayerfully consider your role in this historic effort, with the confidence that your commitment will help form the students who will one day lead families, serve communities, strengthen the Church, and shape the future."

Mr. Tom Fertal, Head of School

BEGIN THE CONVERSATION

To discuss a leadership gift, naming opportunity, or multi-year pledge in support of The Founders Campaign for the Holy Cross High School permanent campus, please contact:

Mr. Tom Fertal, Head of School • 302.213.1720 • tfertal@hchs.org

Ms. Lisa Furjanic • 302.943.3921 • Lmfurjanic@hchs.org

Leadership and naming commitments may be fulfilled through multi-year pledges, gifts of cash, appreciated assets, or other planned giving arrangements.
